

Maths/Number place value

Yr 1: Will count forwards & backwards to 20, writing numbers in numerals & words. We will also be continuing with addition & subtraction, reasoning and problem solving, as well as begin to tell the time.

Yr 2: Will count objects to 100, compare objects and count in 2s, 5s and 10s. They will also partition numbers into tens and ones.

Each week we will have a fluency focus. This is a quick 2 minute test that will include questions about number bonds to 5 and 10 and times tables for yr 2.

Science

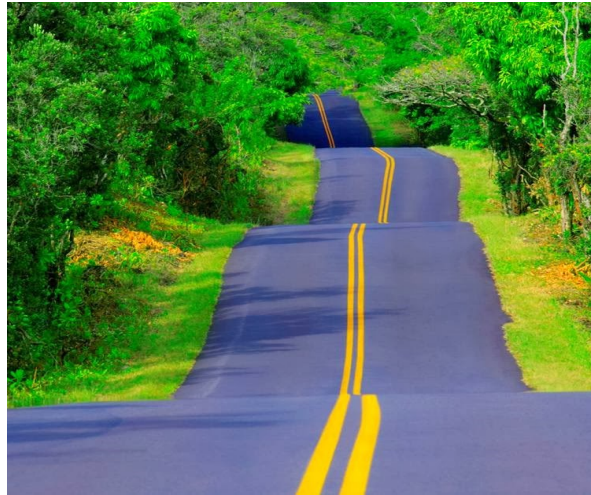

We will be learning about materials and their use and purpose. We will describe different types of materials and look at which material can be used for different items around the school.

PSHE

We will be looking at

Geography

We will be looking at map skills and reading maps and recognising a compass.

Kingfisher Class

Journeys

Term 1 2019—20

Computing

We will be working together to research materials.

RE

In Collective Worship we will be looking at the Christian value of creativity. We will be looking at the creation story.

English/Literacy

Yr 1: We will continue to practise our cursive letter formation, our phonics and our spellings. We will continue to reinforce our handwriting, capital letters, full stops and finger spaces in our writing. We will be looking at the Katie Morag stories and writing a setting description using full stops and capital letters.

Yr 2 : We will be looking at developing our use of adjectives and creating a piece of descriptive writing. We will be looking at improving our sentences by adding a range of adjectives to them.

We will continue to read as a class, in groups for our guided reading sessions.

PE

Mr Vince takes our formal PE lesson on Tuesdays...but PE kit must be in every day please.

Art, Design and Technology

We will be looking at primary and secondary colours and how to use hot and cold colours to create a piece of art. We will be looking at the works of Mondrian.
