

Maths/Number & Shape, Space and Measure

Yr R : This term the children will read, write and count forwards and backwards to 5 as well as learning to reason and solve problems.

Yr 1: Will count forwards & backwards to 10, writing numbers in numerals & words. We will also be continuing with addition & subtraction, doubling, halving, reasoning and problem solving.

Each week Y1 we will have a fluency focus. This is a quick 2 minute target and will include questions about number bonds to 5 and 10, adding 1 to a number.

Science/U+W

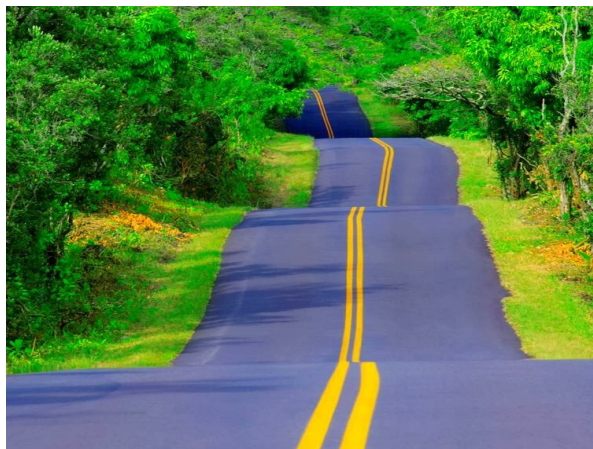

We will be learning about weather and the seasons. We will be making our own weather station to measure rain, wind and temperature, as well as having fun with shadows.

PSHE/PSED

During our PSHE sessions we will be following the theme of Celebrating Difference. The children will understand that these differences make us all special and unique.

History

Throughout the term we will be learning at how transport has changed over time, comparing past with present. We will look at water, air and land transport.

Owl Class

Journeys

Term 1 2019—20

Computing/U+W

We will be using 2Simple to draw pictures. We will use Beebots to navigate on pathways. As well as using a variety of online programmes to reinforce our learning, mainly Alphablocks and Numberblocks.

RE/U+W

In Collective Worship we will be looking at the Christian value of Creativity. In our RE lessons we will be considering What makes people special? And thinking about special people in our lives.

English/Literacy/C&L

Yr R : We will begin to learn our Jolly Phonics and then write our names and labels using our phonics to write words that match our spoken language.

Yr 1: We will continue to practise our cursive letter formation and during our daily phonics we will revisit our letter sounds to embed them as well as learn those tricky words. We will continue to reinforce capital letters, full stops and finger spaces. We will be reading Do you and Rosie's Walk to inspire our writing.

We will continue to read as a class as well as in groups for our guided reading sessions.

PE

Mr Vince takes our formal PE lesson on Tuesdays...but PE kit must be in every day please.

Art, Design and Technology/EA&D

We will be mark making and colour mixing using a variety of media and tools as well as looking at famous artists who have produced work in this style for example Mondrian, Matisse and Klee. We will also make models to accompany and support our History topic.
