

## Maths/Number multiplication and division

Yr 1: Addition and subtraction crossing 10. Comparing number sentences making arrays.

Yr 2: We will be recognising equal groups and adding equal groups to make number sentences using the multiplication sign. We will be securing our knowledge of the 2, 5 and 10 times tables.

Each week we will have a fluency focus. This is a quick 2 minute test that will include questions about number bonds to 5 and 10 and times tables for yr 2.

## Science

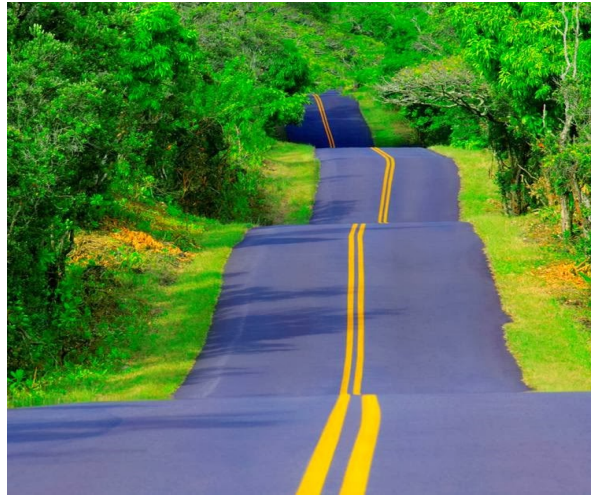

We will be doing some practical work with materials to decide which materials are best for which purposes.

## PSHE

We will be looking at celebrating differences and

## History

Due to nativity rehearsals we will be having a brief look at the history of transport.

## Kingfisher Class

### Journeys

Term 2 2019—20

## Computing

We will be working together to research the history of transport.

## RE

In Collective Worship we will be looking at the Christian value of Friendship. We will be looking at the creation story.

## English/Literacy

Yr 1: We will continue to practise our cursive letter formation, our phonics and our spellings. We will be looking at writing our own version of Jack and the Beanstalk and making one change to the story. We will also be writing a set of instructions.

Yr 2 : We will be looking at writing our own version of Jack and the beanstalk changing various elements of the story to make it our own. We will be writing a set of instructions and looking at the features of instructions.

Handwriting will be practised on a daily basis.

We will continue to read as a class, in groups for our guided reading sessions.

## PE

Mr Vince takes our formal PE lesson on Tuesdays...but PE kit must be in every day please.

## Art, Design and Technology

Due to nativity practice we will briefly look at transport for this to be revisited later in the year.
