VISION STATEMENT

At Great Wishford Church of England Primary School, we enable each child to flourish and reach their unique potential, by developing a culture of enquiring minds and independent learning skills through effective teaching in every lesson. We nurture each individual's passions and talents within a creative and exciting learning environment, enabling all children to “live life in all its fullness” (John 10:10), a life filled with meaning and purpose, underpinned by our Christian values. We take pride in building a vibrant school community that prepares the children for their future as successful modern British citizens.
