

Mathematics/Number & Shape, Space and Measure

Yr R : This term the children will read, write and count forwards and backwards to 5 as well as learning to reason and solve problems.

Yr 1: Will count forwards & backwards to 10, writing numbers in numerals & words. We will also be continuing with addition & subtraction, doubling, halving, reasoning and problem solving.

Each week Y1 we will have a fluency focus. This is a quick 2 minute target and will include questions about number bonds to 5 and 10, adding 1 to a number.

Science/UtW

We will be following the theme about Who am I?

We will learn about the skeleton, identify and name parts of my body and the learn about the five senses.

PSHE/PS&ED

During our PSHE sessions we will be following the theme of Special People. The children will understand that these differences make us all

Geography/UtW

Throughout the term we will be learning about People and their communities.

We will begin to understand that within a location/country there are different ways of living.

We will also describe the human and physical geography of several different

Owl Class People

Term 1 2020—21

Music/ CA Hey You!

Singing and playing instruments.

PE/PD Our PE lesson is on a Tuesday.

RE/UtW

In Collective Worship we will be looking at the Christian value of Perseverance. In our RE lessons we will be considering What makes people special? And thinking about special people in our lives.

English/Literacy/C&L

Yr R : We will begin to learn our Letters and Sounds to then write our names and labels using our phonics to write words that match our spoken language.

Yr 1: We will continue to practise our cursive letter formation and during our daily phonics we will revisit our letter sounds to embed them as well as learn those tricky words. We will continue to reinforce capital letters, full stops and finger spaces. We will be reading some traditional tales to inspire our writing as well as recounting a familiar event.

We will continue to read individually, as a class as well as in groups for our guided reading sessions.

Art & DT/ EA&D

Throughout the term we will be exploring a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function. We will look at the work of famous artists and art within the environment.
